Comments: Hi Debbie, I received your book yesterday. I finished reading it today. I am so glad that I bought and read your book. Your book has taken some of fear of being newly diagnosed with MS away. It also gave me a better insight to manage my MS symptoms. Thank you for helping me change the way I look at my MS diagnosis. I am also hooked up with my local MS Society Chapter. You have inspired me to fight MS head on. AS my personal motto states "MS has become a block in my road, but there are many detours that will lead me to my daily destinations". Thank you for all your strength and encouragement. You are a positive inspiration to me and my family. ~Sharyn [redacted]
